Who is Chet Westerfield?!!!!!! It seems that there's been so much turnover on the team that the legend of Chet Westerfield has faded from memory. I guess that means I can just make shit up.

I think a trip to Sante Fe in the fall is a great idea. We probably can't get 15 to do it though.

I've been bouncing around the Southwest the last couple of years but just landed a sweet semi-stable job doing archeaology for Bandelier National Monument outside of Los Alamos, NM. Since I'll be here a while I decided to get back into the game, especially once I heard the team here has no real song leader or all around rabble-rouser. My first game with the Santos will be this Saturday so I'll be sure to resurrect Chet with full pride and glory. You queers should try to get as many players together for a trip this fall and we will see what we can work out. Hugs and Kisses motherfuckers, love always-  
Chet
